*90°C copper wire required for connection to generator

Controls for the SM Series Steambath System

SMC-150 Control

Mounts inside steamroom. Includes on/off, timer and programmable digital temperature readout. 3.7" x 3.7". 3199 Steamhead included.

150-PC Control Polished Chrome **\$545**
150-XX Control Designer Finishes (see below) **\$595**

SMC-120 Control

Use only in conjunction with SMC-150. Mounts outside steamroom. Provides on/off function. 3.7" x 3.7". Steamhead not included.

120-PC Control Polished Chrome **\$90**
120-XX Control Designer Finishes (see below) **\$110**

SMC-150 Control Packages, include:

- SMC-150 Control • SMC-120 On/Off Control
- 3199 Steamhead • Auto Drain (208 Volt or 240 Volt)

CP-150-PC 240 Volt Control Package Polished Chrome **\$1010**
CP-150 240 Volt Control Package Designer Finishes (see below) **\$1080**
CP-151-PC 208 Volt Control Package Polished Chrome **\$1010**
CP-151 208 Volt Control Package Designer Finishes (see below) **\$1080**

Designer Finishes – The SMC-150, SMC-120 and 3199 steamhead are available in designer finishes. To order, add the suffix shown to the model number. To order, replace the “XX” in the model number with suffix as follows.

- Polished Nickel (PN) • Brushed Nickel (BN) • Polished Brass (PB)
- Oil-Rubbed Bronze (ORB)

Example: 150-XX in Polished Nickel = 150-PN.

Extension Kits for Control Cable for All Controls (TSG & SM)

Optional for all controls when you require a 50-foot cable (maximum).

25-Foot Cable with 6-Pin Coupler Product No. 4025 **\$75**
50-Foot Cable only Product No. 4050 **\$85**

Auto Drain

Optional feature includes drain valve that will open automatically to purge the system after the water in the generator’s reservoir cools. Can be field-installed.

| Auto Drain for SM Generators | | | |
|------------------------------|-------|-------------|------------|
| Model No. | Volts | Product No. | List Price |
| SM-900 | 240 | 9060 | \$375 |
| | 208 | 9061 | |

SMC-150

SMC-120

3199 Steamhead

Distributes steam evenly from all four sides, without “hot” or “cold” spots. Comes with every digital temperature control in a matching finish. Can also be ordered separately.

3199-PC Steamhead Polished Chrome **\$150**
3199-XX Steamhead Designer Finishes **\$200**
